

Met-Rx Thermal Infusion X2 is a cutting edge, multi-dimensional formula that can be used pre-workout, pre-competition or with meals for ultra strength thermogenic benefits. Top ingredients such as Yohimbe, Green Tea Extract standardized for EGCG, Cayenne, Evodiamine and Bioperine combine to form a highly potent cocktail designed to ignite your metabolism.

Pre-Workout: The Thermo-Heat X2 Blend helps jack up your mental focus and intensity for rep after grueling rep by kick starting thermogenesis. The Thermo-Heat X2 Blend also gets you physically ready by unlocking energy stores needed to fuel heavy lifting.

Pre-competition: The combination of ingredients within the Neuro-Energy X2 Blend and Thermo-Heat X2 Blend combine to help you blow past your training goals and crush the competition by amping up your neuro-muscular system.

With meals: The Shredder X2 Blend works with the Thermo-Heat X2 Blend - boosting the thermogenic effect of food consumption to support your metabolism. Taken with meals, MET-Rx Thermal Infusion X2 helps to stimulate cellular enzymes involved in energy metabolism.

Suggested Use

For adults, take two (2) softgels two times daily 30-60 minutes before your workout or with a meal. Limit your use to no more than two (2) softgels in a 4-hour period. Begin with one (1) softgel to assess individual tolerance. As a reminder, discuss the supplements and medications you take with your health care providers.

Warnings

Not intended for use by pregnant or nursing women. Avoid this product if you are allergic to aspirin, if you have liver or kidney disease, or high blood pressure. If you are taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. This product contains caffeine.

Avoid additional consumption of caffeine, which may intensify adverse effects. Not intended for use by persons under the age of 18.

Keep out of reach of children.
